#### **Dear Friends:**

Welcome to your 87th annual Arkansas-Oklahoma State Fair. The Arkansas-Oklahoma State Fair is one of many events sponsored each year by the Arkansas-Oklahoma Regional Education and Promotion Association. The fair has always been a way of furthering agricultural education for our area youth. The fair is a place of learning, protecting tradition, competitiveness and fun.

We are very proud of the community involvement and the hundreds of volunteers that each year makes this such a successful event. The strongest motivation for many of the volunteers is the fact that the Arkansas-Oklahoma State Fair has such a positive impact on several thousand youth of western Arkansas and eastern Oklahoma.

Many of the young people spent months preparing for this event. They learn that hard work 'to make the best better' and competitiveness leads to success. They also earn prizes and premiums money. Many thanks to our advertisers, sponsors and media for your continuing support.

On behalf of our board of trustees and all of our volunteers, I welcome you to your 87th annual Arkansas-Oklahoma State Fair. With a lot of hard work, cooperative and continuing effort, this fair will be the best in a long history of great fairs. Come enjoy the tradition, the competition, the good eats, the entertainment and the fun at the 2023 Arkansas-Oklahoma State Fair.

Sincerely, ARKANSAS-OKLAHOMA REGIONAL EDUCATION AND PROMOTION ASSOCIATION, INC.

## IAFE (INTERNATIONAL ASSOCIATION OF FAIRS AND EXPOSITIONS) SHOW RING CODE OF ETHICS

**RULE 12-b.** Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "IAFE National Code of Show Ring Ethics," fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial and national levels.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada. The following is a list of guidelines for all exhibitors and all livestock in competitive events:

- 1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.
- 2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
- 3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
- 4. Animals shall be presented to show events where they will enter the food chain free of drugs. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable Federal, State, and Provincial statutes, regulations, and rules. Livestock shall not be exhibited if the drugs administered in accordance with Federal, State, and Provincial statutes, regulations, and rules affect the animal's performance or appearance at the event.

If the laboratory report on the chemical analysis of saliva, urine, blood,or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the approved laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise at any hearing in regard to the matter conducted by the fair or livestock show.

At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.

- 5. Any surgical procedure or injection of any foreign substance or page 15 or the external application of any substance (irritant, counter irritant, or similar substance) which could affect the animal's performance or alter its natural contour, confirmation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
- 6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.
- 7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
- 8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.
- 9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
- 10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have any disciplinary action taken by the fair or livestock show for violation of this code of show ring ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.
- 11. The act of entering of an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the IAFE National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

#### **EXHIBITION HERDS AND NEW BREED SECTION**

**RULE 13.** The requirement for starting a new Official Breed Show is a minimum of twenty-five head of acceptable quality on exhibit by at least three exhibitors for two consecutive years as an exhibition herd, after which, they would then be eligible for an Official Breed Show and premium money would be provided. The management must be petitioned following the second year of exhibition and furnished a list of exhibitors and cattle to establish eligibility for an Official Breed Show the following year. Minimum of 3 exhibitors must exhibit a minimum of 20 animals to maintain breed show. Stall fees for exhibition herds are the same as for other cattle in the Open Department. This rule does not apply to the Junior Department. A minimum of ten head which satisfy all of the same requirements will establish eligibility for the Sheep Division.

#### **JUDGES' RULES**

## Fair Parking

ALL EXHIBITORS will be issued an Exhibitors Card that will admit them to the Fairgrounds until the expiration date on the card. They will also receive a colored Parking Pass that will allow them to park in the parking lot designated on the pass. The exhibitor cards, and parking passes will be issued by the Superintendents upon check in.

Due to the lack of space, and the time that you arrive, a parking pass will not guarantee you a parking place in the parking lot that your pass is for. Overflow parking will be available at another off-grounds parking lot.

The Bus and Trailer Parking lot is located at 3701 Spradling Avenue. Please visit the website www.ArkansasOklahomaFair. com to view Bus and Trailer Parking maps.

People who pay for a Camper Hook up will be issued a parking pass for their tow vehicle.

Traffic flow through the Fairgrounds must be possible at all times for emergency vehicles. Any vehicle which blocks other vehicles in or is parked in a marked tow away zone, or is blocking a street will be towed immediately, at the owner's expense, and their parking pass confiscated for the duration of the Fair.

There will be no vehicular deliveries to any concession after 10:00 AM either Saturday and 2:00 PM the rest of the Fair Days. Any and all deliveries must be scheduled to be completed before this time. After that time there can be NO vehicle movements in the "Public Traffic" areas.

JR. LIVESTOCK EXHIBITORS will be allowed to enter the Fairgrounds to unload their livestock and equipment, then they must exit immediately after unloading and park their trailers at the Plum Street Parking Lot. Vehicles will not be allowed back on the Fairgrounds until SATURDAY morning to bring in feed and needed supplies, and they must be off the Fairgrounds by 10:00 AM. Any vehicle on the Fairgrounds after 10:00 AM without the proper parking pass on the windshield will be towed at the owner's expense. Parking Passes are for off grounds parking lots. LOAD OUT INSTRUCTIONS are on page 9, rule #62 and page 8, rule #45A, in the Fair Catalog.

CAMPERS & ETC. – Each unit paying for an electric hook up for living quarters will be issued a pass for another vehicle to be parked on the Fairgrounds.

CARNIVAL PERSONNEL WILL BE ALLOWED TO PARK INSIDE THE FAIRGROUNDS WITH A THOMAS CARNIVAL PASS ON THEIR WINDSHIELD.

INDEPENDENT MIDWAY VEHICLES – Concessionaires with storage vehicles that remain on the Fairgrounds will be issued a pass that will allow the storage vehicle to remain on the Fairgrounds. (Not to go in and out regularly). \$225.00 for 9 days for electric hook-ups. Must pre-register 2 weeks prior to the event. NO REFUNDS.
