Exhibitors must have the original registration certificate on each animal available for inspection at the show.

**The exhibitor is responsible for furnishing the Superintendent the names of animals shown in groups, and herds, and championships.**

All animals must be from a registered sire and dam.

All animals must be registered in the herd book of the American Angus Association. The registration certificate issue date must be prior to the show date.

All animals must be polled (free of horns or scurs). Scurs are defined as any portion of horny tissue attached to the skin of the hornset of a polled animal. Any product administered internally or used externally to alter the conformation and/or appearance of an animal for exhibition is prohibited. This includes the covering of white skin, false tail heads (or use of any false hair), use of graphite, powders, hemp or other similar substances externally and steroids, growth stimulants or artificial filling internally. The Association may adopt and implement various tests designed to monitor this prohibition, including but not limited to a “white towel” or “white glove” test. No aerosol cans or other pressurized containers will be allowed in designated make up areas.
